

Work Programme and Topic Reviews

SUMMARY

- 1.1 This item gives members an opportunity to discuss potential work plans and topic reviews for the forthcoming municipal year, and develop the basis for a work programme. The reviews may cover anything within their remit and could include internal as well as external facing services.

RECOMMENDATION

- 2.1 To agree the current work programme, suggest future items for the work programme and identify any further topic reviews for the forthcoming year. The current (updated) work programme can be found at Appendix 2.
- 2.2 To discuss the progress of any topic reviews and agree any further actions.

REASONS FOR RECOMMENDATION

- 3.1 To ensure that the board has a clear and evolving work programme and ensure that the board is kept informed on progress with regards to items on the work programme.
- 3.2 To enable work to progress on any identified in-depth topic review as identified by the board.

SUPPORTING INFORMATION

- 4.1 **Work Programme**
The Overview and Scrutiny Board should agree a work programme at each meeting to enable board members, the supporting Scrutiny Officer and departmental officers to plan in advance for meetings throughout the year in a strategic way and take account of any new items for inclusion in the programme.
- 4.2 The work programme is not restrictive, and board members can identify and introduce items for scrutiny throughout the year. Items for scrutiny will be discussed at pre-meetings with the Chair and Vice Chair, and will be added to the Agenda at the Chair's discretion.
- 4.3 The Council Constitution limits one topic review report to be submitted to the

Council Cabinet every six months from Scrutiny Boards. It is possible for each Board to conduct two reviews in each municipal year. Topic reviews are not mandatory, but if the board wishes to conduct in-depth reviews in the current year, it is suggested that members should aim to agree a topic for review at the earliest opportunity.

- 4.4 If a working group is formed for the purpose of conducting topic reviews, they should only exist for the duration of the review and be dissolved upon completion of the review. Individuals outside of the scrutiny board can be invited to join the working group, as the group has no formal scrutiny powers. The purpose of the working group is to investigate, gather evidence and make recommendations to the scrutiny board in an advisory capacity.
