George Rennie City Heritage Award 2019 - 2021

Purpose

- 1.1 To discuss and arrange The George Rennie Award arrangements, projects nominated and agreed over future meetings for the period 2019-2021 by Conservation and Heritage Advisory Committee Members.

The annual award is made by the Conservation Area Advisory Committee in memory of the services of a former long standing Conservation Officer for the city, George Rennie. The Conservation Area Advisory Committee, now Conservation and Heritage Advisory Committee, make the awards in recognition of the care and skill taken in conservation projects and high-quality new build projects within conservation areas completed in the calendar year of 12 months. However due to covid disruption they have not been able to be arranged. It was agreed that the award for the period of calendar years 2019, 2020 and 2021 would be undertaken in one combined event.

Recommendation

- 2.1 That buildings/projects that have been nominated for consideration for an award are discussed and a decision is made. The award ceremony arrangements to be confirmed.
