

FORWARD PLAN

SEPTEMBER 2011

What is the Forward Plan?

Each month, the Council publishes a forward plan of decisions to be taken in the following four months.

The Forward Plan contains details of all key decisions to be taken by the Council Cabinet and details of decisions about recommendations to Council on Budget and Policy Framework Items.

What information is included in the Forward Plan?

- The Council Cabinet Member responsible.
- The earliest date on which the decision will be taken.
- Who will be consulted before the decision is taken and how.
- What documents will be considered by the Council Cabinet.
- Which Council officer to contact for more information or to make representations.

₽ What is a Key Decision?

A key decision is:

- a decision about an Executive function which results in significant expenditure or savings to the Council's budget. The threshold for 'significant' expenditure/savings is £250,000 or any grant or loan of over £25,000 or
- any decision that is likely to have a significant impact on two or more wards within the Council.

What is a Budget and Policy Framework item?

Each Chief Officer has under their delegated powers a list of policies and plans that form part of the Budget and Policy Framework. A full list is included in Article 4 of the Constitution.

The Council is responsible for the adoption of the Budget and Policy Framework but, once the framework is in place, it is the responsibility of the Council Cabinet to implement it.

Other information

This Forward Plan supersedes all previous Forward Plans.

The Date of Consideration indicated is the earliest date by which it is proposed the Council Cabinet will consider the matter.

Anyone wishing to make representations to the Council Cabinet about any of the items listed should contact the lead officer at least 10 days prior to the date of consideration.

The next Forward Plan will be published on 16 September 2011.
