

TO: ALL MEMBERS OF THE DERBY CITY COUNCIL

You are summoned to attend an extraordinary meeting of the Derby City Council in the Council Chamber at the Council House, Derby on Wednesday 20 August 2008 at 6.00 pm.

A G E N D A

1. To receive apologies.
2. To receive Declarations of Interest.
3. To consider the following Notices of Motions:

- (1) Councillor Williamson to move, Councillor Banwait to second

DOCUMENT 1

“Council acknowledges that the previous administration created a climate that had insulated the city from the effects of the credit crunch.

The policies the previous administration pursued brought inward investment to regenerate the city, which in turn created jobs and prosperity for growing numbers of Derby’s residents.

Council agrees that the housing market is important to the city’s booming economy but is currently very fragile.

Council believes the authority should intervene in a failing mortgage market to ensure the city’s economy continues to grow.

Council therefore calls on the council cabinet to investigate using the authority’s access to prudential borrowing to provide mortgages to first time buyers and people under threat of repossession.

Council further agrees to write to the secretary of state to amend section 438 and schedule 16 of the 1985 Housing Act to allow local authorities to set their own interest rates.”

- (2) Councillor Shanker to move, Councillor Williamson to second

“Council accepts its obligation, under Section 225 of the 2004 Housing Act to provide a suitable site to accommodate Traveller communities.

But, Council acknowledges that the proposal to establish a permanent site on Russell Street is now opposed by Rolls Royce who currently own it as well as local residents and other businesses who are concerned that it could have a negative impact on the eagerly awaited Osmaston Master Plan.

Council therefore calls on the Council Cabinet to formally withdraw the planning application DER/04/08/00610 and give an undertaking that no site will be established within the Osmaston Triangle.

Council agrees that the unauthorised site on Glossop Street should be cleared at the earliest opportunity.

Council therefore calls on the Council Cabinet to establish a permanent site as soon as possible by identifying and acquiring an alternative more suitable location in public or private ownership."

(3) Councillor Bayliss to move, Councillor Graves to second

"That the Council calls upon the Cabinet Member for Transportation to immediately:

1. Introduce in consultation with the traders and residents, parking measures that prevent cars being offered for sale on Harvey Road in Alvaston and Boulton wards.
2. To consider drafting a byelaw to prevent this occurring on Council owned or controlled land across the city.
3. To lobby Government for a change in the law to remove this blight from the streets of our city."

Director of Corporate and Adult Services
and Deputy Chief Executive
