28th December 2005

Dear Sir,

REF. AMS/10916

Further to your recent letter dated 14th December 2005 regarding Tree Preservation Order 445, I would like further information as to why this has now been invoked.

I had spoken to the appropriate department with regards to this tree earlier in the year and there was no record of any previous reservations, comments or notes on the tree.

During the previous six decades no one has ever sought to take such action over my property. Please provide a full and detailed reasoning, in writing, as to why interest has now been taken in my property.

As such, I wish you to take this letter as an official objection to the TPO until you provide me with sufficient explanation.

I expect to hear from you by 10th January 2006, i.e. before the TPO is effective. You can reach me at the above address, between 7.00 a.m. and 4.00 p.m. on 01662 2852851 and at any time on 07947 000894, and I expect any verbal conversation to be confirmed in writing by this department.

Yours faithfully,

M. J. Otero Ucha (Mrs.)
