RECOMMENDATION

- 1.1 To consider and note the progress on pledges made by people attending Voices in action event in November 2009.

SUPPORTING INFORMATION

- 2.1 Voices in Action is Derby City Council consultative Forum with young people. The membership of the Forum consists of young people from a variety of backgrounds. Their main role is to ensure policies and services meet the needs of young people in the city. Each year Voices in Action organise a major event which is attended by key individuals and agencies responsible for delivery of services to young people. Last year's event focused on three major topics Jobs and Money; New and Emerging Communities; and Bullying and the 'isms. At the meeting delegates were asked to make a pledge against each focus group. These pledges were brought to CYP Commission at the 26 January 2010 meeting and members agreed to follow up the progress against the pledges on behalf of young people.
- 2.2 The attached table shows responses received so far against those pledges.
