05/16 Remit, Work Programme and Topic Reviews

The Board considered a report of the Chief Executive which allowed the Board to study its Terms of Reference and Remit for the forthcoming municipal year. The report also allowed officers to inform the Board of any key work areas, issues or potential topic review subjects within their service areas for discussion or inclusion in the work programme. Members received presentations from Derby Homes and Leisure, Culture and Tourism. Members also received information from Regeneration, Property and Housing, and from Planning.

Members considered a number of items for inclusion in the future work programme. The Board also discussed issues that were still on-going from the previous year that should be carried over to this year's work programme. The Board agreed a number of items for the work programme and a draft set of timescales for these. Members did not identify a specific item for a topic review at this time.

The Board resolved that the following items should be added to the future work programme):

- **Combined Authority / Devolution Deal Update (September)**
- **Derby & Nottingham Metropolitan Strategy 2030 and Action Plan 2016-2019 – Consultation (September)**
