## **HOME TO SCHOOL TRANSPORT TO DERBY MOOR COMMUNITY SPORTS COLLEGE – SERVICE 272**

### **SUMMARY**

1. Officers have reviewed the provision of home to school transport provided from Sinfen to Derby Moor Community Sports College. On the basis of this review the report recommends discontinuation of the provision.

### **RECOMMENDATION**

2. To remove the home to school service provision from Sinfen to Derby Moor Community Sports College with effect from September 2006.

### **REASON FOR RECOMMENDATION**

- 3.1 An assessment of the service need has indicated that students travelling on service 272 fall outside the current Public Transport Policy.
- 3.2 All users of the service have applied for identity card passes and can be contacted to inform them of the withdrawal of the service.
- 3.3 Savings brought about by the changes will help maintain current services to students attending other schools in Derby.

### **SUPPORTING INFORMATION**

- 4.1 The Council provides home to school transport to assist student travel to and from Derby Moor Community Sports College and has done so since Local Government Re-Organisation in 1997.
- 4.2 Of the 35 applications received for transport assistance on service 272 for the 2006/07 academic year, 16 students live in Derbyshire and 18 students live in the normal area for Sinfen Community School.
- 4.3 The student currently living in the normal area for Derby Moor Community Sports College will be able to access commercial services to attend school.
