34/09 Declarations of Interest

The chair, Councillor Hardyal Dhindsa, expressed a prejudicial interest in the Derby Racial Equality Council bid being discussed on the agenda, as he sits on the management Board for the organisation. He accepted that he could take no involvement in the discussion relating to the bid proposal from that organisation.

35/09 Minutes of the previous meeting

36/09 Derby City Council Funding Allocation 2009/10

The Normanton Ward Committee approved supporting the below project but could not agree the level of funding that should be awarded. With Cllr Dhindsa having expressed a prejudicial interest, Cllr Nath suggested an amount of £700 and Cllr Williamson suggested the full amount requested of £1000. There was also a question relating to what the funding described as "Activity refreshments/travel" would be spent on. Therefore the funding approval could not be fully approved and the Neighbourhood Manager agreed to clarify this with the group and would report back to the councillors as soon as it is possible, in order to resolve the stalemate in making the decision on the level of funding allocated.
