Student/under 25 ticket (under 25 yrs and with a valid NUS and 19- under 25 yrs)		0		200	200		It is proposed to keep the charge at £200 and the season ticket will be open to students and new to 19 to under25s. The reasoning for this is that the uptake at both courses for both categories is very small. From benchmarking of other golf courses sites within a 10 miles they have introduced a range of price targeted products to aid transition to full season ticket charges.

Junior (0- under 16 yrs and after 11am every day)		0	0	50	0		The golf courses have 1500 number of jr using the courses out of 50,000 users. The user profile is for the courses are predominately over 60 years. The aim of the free use is to target jr under 16 years to the courses through paid coaching sessions, pathways through schools and buddies system with the existing golf clubs. In addition through promotions that target families golf fun sessions it will create an incentive to families and jr golf as under 16 go free. Terms and conditions will apply to user which is that access tot he golf course will be free if played after 11am every day. Before 11am normal prices will apply.
