65/08 Notices of Motion

1. *City Development Company Board*

Resolved on the motion of Councillor Williamson that, in view of the current political balance on the Council and in the event of a City Development Company being established, Council agrees to nominate the leaders of all the three political groups or their nominees to sit on the CDC board.

2. *National Minimum Wage*

It was moved by Councillor Williamson, and seconded, that Council acknowledges that the introduction of the National Minimum Wage (NMW) represented a giant leap forward in tackling poverty pay and the exploitation of vulnerable workers.

Council notes that the dire predictions by the opponents of the NMW, who claimed it would force companies into liquidation and increase unemployment, were completely wrong.

Council applauds the fact that since its introduction, the NMW has assisted millions of workers across the UK and thousands of workers in Derby.

Council believes the success of the NMW is a cause for celebration but recognises that vulnerable workers are still falling prey to unscrupulous employers.

Council therefore calls on the Council Cabinet to:

1. Ensure the Council's Trading Standards, Environmental Health and Welfare Rights Officers are given appropriate training to enable them to recognise when vulnerable workers are being exploited so they can call in the appropriate enforcement agencies.
2. Mount a council publicity campaign to raise awareness about the:
 - a) level of the NMW
 - b) entitlement to 24 days paid leave (rising to 28 days in April next year)
 - c) right **NOT** to work longer than an average of 48 hours per week
 - d) enforcement agencies' helpline numbers to enable vulnerable workers to report rogue employers
 - e) benefits of trade union membership in securing employment rights.
3. Deploy staff to build on the work previously undertaken by Derby Advice in partnership with the HMRC to facilitate enforcement action against employers who are breaking employment law on the NMW, paid holidays and working hours.

It was moved by Councillor Carr, and seconded, that the motion be amended by the insertion of the words "in partnership with the Department for Work and Pensions, Derby City Partnership, Job Centre Plus, the CLAC, Eastern European Migrants Committee and subject to adequate budget provision" between the words "Cabinet" and "to" at the beginning of the fifth paragraph.

The amendment was put to the meeting and carried.

It was moved by Councillor Hickson, and seconded, that the first sentence in sub paragraph 2 be amended to read "ask the government to mount a publicity campaign to raise awareness about the..."

The amendment was put to the meeting and lost.

3. Closure of Public Conveniences

It was moved by Councillor Williamson, and seconded, that Council notes with concern the Lib Dem administration's proposal to close 10 public conveniences in the city.

Council recognises that Derby's population has an increasing percentage of older people and many young families who need access to public conveniences.

Council believes the Council Cabinet's proposal will discriminate against a large number of local people who will be excluded from utilising and enjoying the city's new and improving facilities.

Council is opposed to the Lib Dem administration's plans and therefore calls on the Council Cabinet to reverse its decision and consider ways of increasing the number of public conveniences rather than reducing them.

It was moved by Councillor Care, and seconded that, in accordance with rule CP10, the meeting be extended beyond four hours. The motion was put to the meeting and lost.

In accordance with rule CP10, the meeting finished at 10pm and the remaining business would be considered at a time and date to be fixed by the Mayor or, if she did not fix a date, at the next ordinary meeting of the Council.
