60/13 Apologies

Apologies for absence were received from Mr S Hodgkinson, Mr P Billson, Councillor Carr, Mrs Carol Craven and Mr M Craven

61/13 Late Items

A Report from the Chair of the Conservation Area Advisory Committee was presented to the Committee; this related to an application DER/02/14/00198- Land off North Avenue, Darley Abbey, Derby which the Committee considered on 6 March 2014. The report provided further information to reinforce and further explain the decision the Committee had reached which **"recommended refusal on the grounds that it was detrimental to the World Heritage site and encroached into the buffer zone and green wedge"**.

The report was endorsed and accepted by the Committee.

62/13 Declarations of Interest

There were no declarations of interest.

63/13 Minutes of the meeting held on 6 March 2014

The minutes of the meeting held on 6 March 2014 were confirmed as a correct record and signed by the Chair.

64/13 Applications to be considered

Friar Gate Conservation Area

Application No. & Location: DER/09/13/01106- Land at Agard Street / Friar Gate / Ford Street, Derby

Proposal: Erection of 3-7 storey buildings comprising office use (use class B1(A)) and ancillary retail/leisure units (Use Classes A1 (retail), A2 (financial and professional services), A3 (Restaurant/Cafe), A4 (Drinking establishments), D1 (Non residential institutions), D2 (Assembly and Leisure)) with associated access and car parking - re-submission of previously approved permission DER/09/08/01676 to include flexible use of ground floor Phase 2.

Listed Building: GD2

The Committee received a lengthy presentation from representatives of the developer of this site. This proposal is Phase 2 of a larger development. Phase 1 was given planning permission in 1999 and completed in 2011. The plans for Phase 2 were different to those originally presented in September 2013 because the developers had noted the concerns and comments of the Conservation Area Advisory Committee regarding the future of Friar Gate Bridge and access to it from the new development.

The Committee discussed the differences between the original plan for Phase 2 and the ones presented today which included a narrower building but with more floors which would add height to the overall structure. Access to Friar Gate Bridge was no longer a feature of this proposal.

Resolved to object and recommended refusal on following grounds:

- 1) **the proposed additional height of the Phase 2 building would cause detriment to the Friar Gate conservation area and adjacent listed buildings due to increased visibility from Friar Gate.**
- 2) **the previously approved application included access to the bridge through the site but this application didn't include access to the bridge.**

City Centre Conservation Area

Application No. & Location: DER/01/14/00029- Bramble Business Centre, Becket Street, Derby, DE1 1HT

Proposal: Change of use from offices (use class B1) to 13 apartments (use class C3)

Listed Building: GD2

It was noted that the window replacement and cladding to the modern 1960/70's building was no longer part of this application and a separate future Listed Building Application would be made to cover these items.

Resolved to raise no objections subject to the condition of controlling new materials and the type of windows and doors proposed, it was recommended windows to the brick extension should match the original sash windows.
