08/14 Neighbourhoods Directorate Fees and Charges

A report of the Strategic Director of Neighbourhoods was considered which stated that the Neighbourhoods Directorate annually reviewed its fees and charges across its range of services. This was to ensure that the fees and charges where applicable reflected the cost of delivering services, took into account comparator rates for those services within the sector, ensured that inflationary cost increases were taken into account and that budget income targets were achieved.

The proposed fees and charges for Leisure and Culture for 2015/16 were set out in Appendix 2 of the report. The service areas within the department that were included in the proposals were libraries, leisure centres, parks and golf where the Council had discretion to set the fees. The inflationary increase that had been specified by the Council on the 2014/15 fees and charges had been applied unless otherwise stated. All prices were shown inclusive of VAT where it was applicable.

Resolved to approve the fees and charges for 2015/16 set out in Appendix 2 of the report.
