

**DERBY CITY COUNCIL**

Title:	Kedleston Road Corridor Improvements
Start date:	12/06/2009
Closing date:	13/06/2009
Status:	Open
Overview:	<p>During 2006 we consulted over 10,000 households in Allestree and Darley Abbey for their views on a range of transport improvements along Kedleston Road. We are now holding two exhibitions to outline our finalised designs. People will be able to view our plans and talk to us about the improvements we are now planning to implement.</p>
Reason for consultation:	<p>To ensure that residents and road users are fully aware of the improvements that we are planning to implement on Kedleston Road. This follows the initial consultation event that we completed in 2006.</p>
Organisation carrying out the consultation:	Derby City Council
Lead contact/s:	<p>Richard Robinson Traffic and Transportation Projects Regeneration and Community Derby City Council</p> <p>Phone 01332 641781 Email <a href="mailto:richard.robinson@derby.gov.uk">richard.robinson@derby.gov.uk</a></p>
