

### COUNCIL 8 SEPTEMBER 2010

#### **DOCUMENT 12**

Report of the Director of Legal and Democratic Services as Monitoring Officer

# PROPOSED AMENDMENTS TO THE CONSTITUTION

#### RECOMMENDATION

1. To approve the amendments to the Constitution set out in Appendix 2.

#### SUPPORTING INFORMATION

2.1 It is customary to review and, where necessary, amend the Constitution from time to time. The following amendments are proposed and the details are shown in Appendix 2.

#### **Appointment of Statutory Scrutiny Officer**

2.2 Section 31 of the Local Democracy, Economic Development and Construction Act 2009 requires that the Council designates one of its officers as statutory scrutiny officer to promote the role of overview and scrutiny and provide support to overview and scrutiny committees (commissions) and their members. The Council may not designate the Head of the Paid Service, the Monitoring Officer or the Chief Finance Officer as the statutory scrutiny officer. It is proposed that the Assistant Director – Democratic Services is designated as the Council's statutory scrutiny officer.

## **Appointment of Electoral Registration Officer and Returning Officer**

- 2.3 It is a requirement of Section 8 of the Representation of the People Acts that the Council appoints an Electoral Registration Officer for the City to be responsible for the registration of electors, absent voters etc. The Electoral Registration Officer is also designated as Acting Returning Officer at Parliamentary and European elections.
- 2.4 Section 35 of the same Act requires the Council to appoint a Returning Officer to be responsible for the conduct of local government elections.
- 2.5 Since the retirement of the former Deputy Chief Executive, the Chief Executive has undertaken the above roles on a temporary basis. It is now proposed that the Assistant Director Democratic Services be formally designated as Electoral Registration Officer and Returning Officer.

## **Personnel Delegations**

- 2.6 Prior to full council in May this year, the Council had a Personnel Committee that was responsible for personnel policy, for organisational changes where costs exceeded £100,000 a year and for disputes over terms and conditions. Full Council in May 2010 abolished the Personnel Committee, along with the Disputes Procedure and the arrangements for Members' involvement in disputes with the trades unions over terms and conditions. The Leader of the Council now wishes to tidy up the decisions that Council made in May by granting the necessary delegation of authority for appropriate officers to resolve these matters.
- 2.7 Previous Government guidance has stated that, other than the appointment and dismissal of the most senior officers (the Chief Executive, Strategic Directors and Service Directors), Members should not be involved in dealing with the terms and conditions of employees.

### **Public Questions at Full Council Meetings**

- 2.8 The Members' Services Working Party is concerned that Public Question Time at full Council meetings is dominated by a small number of people. Members of the public are entitled to ask up to two questions at any Council meeting. The Working Party would like to introduce a system whereby each person who has submitted one or more valid questions would have the opportunity to ask his/her first question and supplementary before any second questions are asked. The Working Party feels that this change would allow greater scope for other members of the public to ask questions at full Council meetings.
- 2.9 It is intended to publicise Public Question Time in order to broaden participation in it.

### **Sealing of Contracts**

2.10 In order to provide maximum flexibility, but at the same time ensure control and accountability, it is proposed that the schedule of officers authorised to sign contracts under seal is updated and amended as follows:

<b>Currently Authorised Officers</b>	Proposed Authorised Officers	
Director of Corporate and Adult	Director of Legal and Democratic Services
