

<b>Reconfiguration/Service Changes</b>	
<b>Ref (SHA use)</b>	
<b>Lead Organisation and organisations involved</b>	
<b>MPs Name and Constituency</b>	<b>Derby South</b> – Margaret Beckett <b>Derby North</b> – Bob Laxton
<b>Summary of Proposal</b>	
<b>Strategic Context:</b>	
<b>Rationale</b>	
<b>Biggest area of concern expected in relation to the proposals</b>	
<b>Timescale:</b> When were proposals developed: Date engagement commenced: Date proposal taken to OSC: Date formal consultation to begin/end: Date Board decision expected: Year/month proposal starts to be implemented: Date full implementation planned:	
Names of Local OSCs including Lead OSC/JOSC  Derby City Council: Adult Service and Health Commission	
<b>Key points:</b>	
Current financial position in the area	
Who has been involved?	
Are clinicians in favour?	
Any local protests/media interest?	
What is the problem that reconfiguration will solve? Eg. Clinical safety, quality of care, cost-effectiveness, recruitment/training of doctors, maintaining specialist services, reducing duplication etc.	
What will be the benefits?	
Are there plans for any new facilities eg. ISTCs, hospitals	
How will patients care be improved?	

Appendix 3

<b>Details of the Proposed Change</b>	
To what service does the proposal relate eg. A&E/urgent care/maternity/paediatric/community hospital services/mental health services	
Key statistics from consultation document re levels of activity/numbers of patients affected, costs of present service v potential savings	
Any evidence of existing poor/inefficient/unsafe provision (eg. Readmissions, length of stay, day case rates, emergency transfers to other hospitals, mortality rates)	
Any evidence that existing services unable to deal with emergency, specialised or complex cases (eg. Maternity provision to be reduced)	
How will services be provided under new proposals?	
What will the impact be on current service users? Detail any specific safeguards if services are removed/reduced in a local area	
Any other performance improvement/cost reduction proposals across the Trust including proposals re job/post reduction	
<b>Other issues to likely attract public/media interest eg MRSA, inspection reports etc:</b>
