Derby City Council Helps Householders Save Energy

About 1,350 Derby householders have received Government grants to make their homes warmer and help them save energy in the last year.

Derby City Council promotes, and helps eligible residents apply for, the Government's Warm Front grant for insulation or heating improvements. It is available to **private tenants and owner-occupiers** who get an income-related or disability benefit or credit. In the last year, the Council has particularly targeted people on Council Tax or Housing Benefit.

Warm Front application forms for grants of up to £2,700 are available from the Council's Home Energy Advice Service

Fostering Appeal Targets All Derby Households

All 103,000 Derby households and 7,000 business organisations have received fostering information with their Council Tax bill.

Woodlands Tennis Club

Held the official opening of their new clubhouse on 1st April with Andrew Jarrett Davis Cup Player and Wimbledon referee. The clubhouse had received Area Panel 5 funding towards the clubhouse.

The Fostering Hotline number – 01332 718000 – is on the back of every Council Tax envelope. In addition a bookmark featuring details on how to become a foster carer will be enclosed with the bill being sent to households on Wednesday 14 March. This will be the seventh consecutive year the Council's Fostering Team has used this initiative to promote its services.

Derby City Council has around 390 children in care. The majority live with foster carers, with 40 youngsters living in six children's homes. Last month the Council's Fostering and Adoption Service received a good report from the Commission for Social Care Inspection, a Government body.

Go Wild 2007 Programme Launched

The programme for 2007 includes a range of walks, events and activities with an environmental theme.

Everything in the programme is suitable for all the family, and the events, walks and activities, that are all free of charge, are a fun way for people to see more of the city's wildlife and history and at the same time improve their health.

The programme is available in local libraries, Council offices, the Tourist Information Centre and doctor's surgeries, or online at www.derby.gov.uk/wildderby
