

Overview and Scrutiny Member Satisfaction Survey 2010

Overview and Scrutiny is an important political management tool that supports the Council’s decision making process. It enables members to develop policy, challenge decisions and hold the decision makers to account on behalf of Derby people. Since scrutiny is a member led process, it is important that we have your views on the support provided by the Overview and Scrutiny Co-ordination Team and how this can be improved to enable you to perform the scrutiny function to your requirements.

The questionnaire is in two parts, the first part seeks your views on the level of support provided by the Overview and Scrutiny Team and the second covers the principles of the overview and scrutiny process.
