

## Duffield Road Bus Lane Traffic Regulation Order History

<b>Time</b>	<b>Action</b>
<b>Feb 2006</b>	Cabinet approve the development of bus punctuality improvements on Duffield Road and Kedleston Road as part of the Local Transport Plan programme for 2006/7.
<b>Summer 2006</b>	Wide ranging consultation on transport proposals for Duffield and Kedleston Road. Leaflets hand delivered to 10,000 residential properties in Darley, Allestree and Strutt's Park. Roadside posters erected, poster placed on buses, press release issued and information placed on website. Three public exhibitions held inviting comments from the public.
<b>Dec 2006</b>	Results of consultation reported to Individual Cabinet Member Meeting. Approval given to proceed with proposals for Duffield Road
<b>Jan-Mar 2007</b>	Further information sent to interested parties and residents regarding the works. Roadside posters erected on Duffield Road
<b>5 Mar 2007</b>	Experimental order came into operation. Notices erected on site and in paper inviting objections over the next 6 months.
<b>Mar – June 2007</b>	Information gathered collated and analysed.
<b>June 2007</b>	Report on the first three month review considered objections and looked at alternative options. Recommended that the experiment continue for another 12 months to gather further data. Residents of Duffield Road and interested parties informed of decision.
<b>June - Sep 2008</b>	Further operational information gathered.
<b>Sep 2008</b>	Report on the first 15 months review considered objections and recommended making the scheme permanent. Cabinet considered issue and approved the recommendation.
<b>4 Sep 2008</b>	Order made permanent.
<b>Sep – Oct 2008</b>	Objectors informed of decision.
