DERBY CITY COUNCIL

**COUNCIL CABINET**  
**17 MAY 2005**

Report of the Director of Policy

## **Community Grants Budget Review**

### **RECOMMENDATIONS**

- 1.1 To approve the revised criteria for the Community Grants Budget – CGB – for 2006/07.
- 1.2 To refer the report to the Community Regeneration Commission.

### **REASON FOR RECOMMENDATIONS**

2. The revised CGB criteria will assist decision-making and improve clarity between CGB and other Council grants.

### **SUPPORTING INFORMATION**

- 3.1 We have undertaken a review of the Community Grants Budget, involving the
- 3.2 Cabinet Members for Community Regeneration, Social Care and Youth, and Lifelong Learning. This part of the review covered issues of clarity between CGB and other Council grants made by Social Services and Education.
- 3.3 We consulted the Voluntary Sector syndicate of the Compact Forum on the proposed changes to the criteria. The proposed criteria, attached at Appendix 1, have been fully revised to be more specific. This will assist decision-making and make it clearer to applicants whether or not they are eligible for CGB.
- 3.4 The three-year criteria now include organisations that provide voluntary sector infrastructure support on a neighbourhood basis.

### **OTHER OPTIONS CONSIDERED**

4. None. The process of allocating the CGB for 2005/06 clearly demonstrated the need for change.

<b>IMPLICATIONS</b>
---------------------

**Financial**

1. None directly arising. The Community Grants Budget for during 2005/06 is set at £846,323.

**Legal**

2. Each organisation receiving a grant is required to enter into a funding agreement with the Council. Continuation of three-year funding agreements is conditional upon a satisfactory annual review.

**Personnel**

3. None.

**Equalities impact**

4. The revised themes and criteria will clarify access for voluntary organisations to the Community Grant Budget. As the themes and criteria are more specific, it will also assist in clarity in the decision-making process.

**Corporate objectives and priorities**

- 5.1 The proposal comes under the Council's objectives of **healthy, safe and independent communities**, and **a shared commitment to regenerating our communities**.
- 5.2 The proposal furthers the priority of **working in partnership to achieve socially cohesive communities**.
