

Urgent items due to be considered by Council Cabinet

Every month, the Council publishes a Forward Plan to indicate the key decisions that the Council Cabinet is likely to take in the months ahead.

The following decision need to be taken urgently in order that they can be implemented as quickly as possible. For this reason Council Cabinet is likely to consider it at a meeting on 12 April 2023. It was not included on the Forward Plan.

The item is detailed below

Item	Reason for non-inclusion on the Forward Plan
Social Housing Decarbonisation Fund – Authorisation to bid for Wave 2.1 funding	The reason for urgency is that the bid needs to be submitted to the Department of Business, Energy, and Industrial Strategy (BEIS) before the next scheduled meeting of Council Cabinet. Any delay in submission would result in the deadline being missed and a loss of funding which would enable tenants living in 143 Council properties the benefit of significant energy costs savings by the installation of external solid wall insulation to improve heating retention and reduce electricity costs.
