Report of the Director of Education

## Strategy for 14-19 Education and Training

### RECOMMENDATION

1. To note and comment on the attached report which was approved by Council Cabinet on 20 July 2004.

### SUPPORTING INFORMATION

- 2.1 As contained in the attached report.
- 2.2 Cabinet endorsed the strategy for 14-19 Education and Training, subject to any detail amendments arising from inspection outcomes and the final stages of consultation, to be made by the Director of Education in consultation with the Cabinet Member for Lifelong Learning.
- 2.3 The Education Commission had previously identified this report from the Forward Plan for attention, but Council Cabinet also wished it to be referred to the Commission for consideration.
- 2.4 The possibility of further amendments to the detail arises from the fact that this is a joint strategy led by the City Council – as local education authority – and the Derbyshire Learning & Skills Council. The draft will be submitted to the DLSC at its meeting in September. In the meantime, the Executive Director of the LSC has circulated the draft to a number of partner organisations for final consideration.

### OTHER OPTIONS CONSIDERED
