

DERBY CITY COUNCIL

ADULT SERVICES AND HEALTH COMMISSION 22 January 2007

Report of the Director of Corporate and Adult Social Services

Joint Commissioning Strategy for Adults with Learning Disabilities

RECOMMENDATION

1. That the members consider and note the attached joint commissioning strategy.

SUPPORTING INFORMATION

- 2.1 The attached strategy document was considered and approved by the Adult Services Cabinet Member on 10 January.
- 2.2 This is the first commissioning strategy for adults with learning disabilities in Derby and has been produced in partnership with the Derby Primary Care Trust (PCT).
- 2.3 The document shows that there are 890 people currently in receipt of learning disabilities services from the Council. The demand for this service is expected to grow over the next 6 years with the number of service users approximately 28% higher in 2012 than the current number.
- 2.4 The document identifies a number of areas for development to meet the future demands of the service. This includes amongst others to develop a range of provision as an alternative to large number of people using residential and large day centres and bringing back people from out of the area if they want this.
- 2.5 A detailed action plan will be developed following the approval by the Cabinet Member and the PCT Board approval.
- 2.6 Members are asked to consider and the note the strategy.
