

Urgent items due to be considered by Council Cabinet

Every month, the Council publishes a Forward Plan to indicate the key decisions that the Council Cabinet is likely to take in the months ahead.

The following decision need to be taken urgently in order that it can be implemented as quickly as possible. For this reason Council Cabinet is likely to consider it at its next meeting on 13 April 2022. It was not included on the Forward Plan.

The items are detailed below

Item	Reason for non-inclusion on the Forward Plan
Riverboat Proposals for the River Derwent	Following advice received from the Environment Agency, who are a key regulatory authority in relation to the future use of the River, a permanent mooring location for the boat is required. Authority is now being sought to undertake the required works to facilitate the Riverboat being operational during the summer period. A decision is therefore required before the next meeting of Council Cabinet, which is not until the next Municipal Year, with the date to be agreed at the Annual Meeting of the Council.
