An apology for absence was received from Councillor Skelton.

02/06 Late Items Introduced by the Cabinet Member

Matters Referred

04/06 Derby Citizens Advice Bureau (CAB)

The Cabinet Member considered a report from the former Community Regeneration Commission.

The Commission asked the Cabinet Member to consider increasing the level of grant in future years to the amalgamated CAB/Law Centre.

The Cabinet Member felt that it was important to allow the merger of the CAB and the Law Centre to take place before considering the need to increase the grant. He felt that it would be difficult to commit to increasing any funding at this stage of the budget process for 2007/08 when the Council had to reduce its overall budget.

Resolved to note the Commissions recommendations.

Policies and Procedures

05/06 Commissioning a Shopping Service from the Independent Sector

The Cabinet Member received a report from the Director Corporate and Adult Services regarding the commissioning of a pilot shopping service in 2 wards.

Resolved to welcome the report and approve the recommendations.
