

COSMETIC WORK TO TREES

SUPPORTING INFORMATION

The Council Cabinet has decided to allocate £5000 to the Area Panels in order to commission tree works in cases where the Arboricultural Officers had not been prepared to commission work requested by a resident. This work is restricted to trees on Council owned land and all work requested would have to comply with the conditions stated in the Tree Management Policy. This is a pilot scheme to be reviewed after one year.

Voting on whether to commission the work will be restricted to ward councillors sitting on the Area Panel.
