

Developing Area and Neighbourhood Agenda in Derby

Sharon Squires
Director of Derby Community
Safety Partnership

National Context

- Neighbourhood Management key government manifesto pledge
- Driven through different government departments, for example ODPM and Home Office

National Context

- Why?
 - politics of empowerment 'new relationship between communities and public institutions'
 - 'the ability for people to have a real say in decisions that affect the shape and course of their own lives'
 - 'bridging gap between citizens and democracy'

Local Context

- Strong commitment to localism from all key agencies
- Significant work on Area and Neighbourhood agenda last three years

Local Practice - examples

- Police - Neighbourhood Teams
- City Council - Area and Neighbourhood Unit
- PCTs - community engagement/LIFT
- Derby Homes - local structures/Estates Pride
- Derwent New Deal for Communities
- Community Safety Partnership - Austin Estate

Next steps

- Beginning of next phase – devolved decision making to areas and priority neighbourhoods
- Significant implications for public sector/local communities
- Involvement private and voluntary sector essential

Next Steps - Proposals

- Overall aim
 - 'to empower local people in order that they can influence and where appropriate design and commission service provision in their areas and neighbourhoods'

Objectives 2006 - 07

- Maximise benefits by delivering a joined-up partnership approach across agencies, with local business and voluntary sector
- Effective model of Community Leadership
- Genuine partnerships with local people in priority neighbourhoods
- Area planning structures that involve local residents

Area Management

- Establish area management teams
- Agree membership, terms of reference, resident involvement etc.
- Finalise area profile and plans
- Finalise area community engagement strategies
- Ensure links with area panels, including review of area panels two and three
