

Urgent items due to be considered by the Leader of the Council

Every month, the Council publishes a Forward Plan to indicate the key decisions that the Council Cabinet is likely to take in the months ahead.

The following decision needs to be taken urgently in order that it can be implemented as quickly as possible. For this reason an Urgent Leader of the Council Cabinet Member Meeting has been scheduled to consider the decision on 4 October 2022. It was not included on the Forward Plan.

The item is detailed below

| Item | Reason for non-inclusion on the Forward Plan |
|----------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Department of Levelling Up Housing and Communities (DLUHC) Capital Grant Opportunity Linked to Devolution Deal | The reason for urgency is that the bid needs to be submitted to the DLUHC fund by 10 October 2022. This is before the next scheduled meeting of Council Cabinet. Any delay in submission would result in the deadline being missed and a loss of funding for the development of a Private Rented Sector Leasing Scheme in Derby and expansion of an existing Private Rented Sector Leasing Scheme in Nottingham. |
