04/10 Resources Directorate Fees and Charges

A report of the Strategic Director of Resources was considered outlining increases to a range of fees and charges within Democratic Services. These included increases to charges within Registration Services, such as for marriages, civil partnerships, and the Nationality Checking Service. Also proposed were increases to charges for commercial land searches.

An addendum to the report, detailing proposals to increase court costs per liability order applications for Council Tax and Non-domestic rate, was also considered.

The Assistant Director – Democratic Services explained how the proposals within the original report and addendum were consistent with principles for Fees and Charges that were agreed by Council Cabinet on 14 December 2010. Also presented were comparisons with how the council's existing and proposed charges compared with other local authorities.

**Resolved to increase fees and charges within the Resources Directorate as detailed in the report and the addendum to the report with effect from 1 February 2011.**
