New Sunday opening trial at Derby Shopmobility

Shopmobility member,

Derby Shopmobility and Westfield Derby are pleased to announce the trial of Sunday opening of the Shopmobility service from Sunday 2 August 2009 for three months.

The service will operate from 10.30am – 4pm every Sunday in August, September and October.

This service will only continue if it is supported by you, the users of the service. At the end of the three month trial, all parties will sit down to review its success and decide whether to continue Sunday opening in the future.

We hope that you will support this initiative and spread the word to other members of the community who benefit from this service.

If you are not currently a member of Shopmobility and would like to know more about the service, give them a call on 01332 200320.

Kind regards,

Derby Shopmobility Management Committee and Westfield Derby Centre Management Team
