		Action
1	<p>Welcomes/ Introductions/ Apologies Councillor Marshall welcomed everyone to the meeting and thanked them for attending. Councillor Marshall made a special welcome to new Board member Steve Hassall. The board also had another new member, Molly Jo- Burnett who due to sickness was not able to make it to the meeting. Apologies were also made for the sudden change in venue for the meeting; however this was unavoidable due to a leak and heating failure at Oakleigh Avenue Common Room.</p>	
2	<p>Minutes of the previous meetings .The minutes of the last board meeting held on 1 September 2011 and the Special Highways and Transport meeting held on Thursday 7 October 2010 were agreed as a true and accurate record.</p>	
3	<p>Declarations of interest Phil Raffle - Chaddesden Park Community Cafe Tony Weaver – Chaddesden Historical Group</p>	

4	<p>Neighbourhood Board Community Budget</p> <p><u>.1 – Report on Community Budget.</u> Lorraine updated the Board on what funding has been allocated from the three budgets to date.</p> <p><u>2 – Highways Budget 2010/2011</u> Lorraine updated the Board on the £10k highways budget.</p> <ul style="list-style-type: none"> - Unfortunately the Board will not be able to have a SID's (speed indicating device) on one side of Max Road as there is no power source. Installing a power source would cost in excess of £2000. <p>Therefore orders are to be raised to have one on the side with a power source and then to have another one in the same spot but at a later date.</p> <p>The following new additional proposals were made:</p> <ul style="list-style-type: none"> - x2 SID's to be located on Nottingham Road -£800.00 - To provide a civil enforcement officer (CEO) to patrol around primary schools in Chaddesden. Anj to co-ordinate a rota - £1000.00 - To match fund a new bus stop on Chaddesden Park Road with Derwent Ward - £1000.00 each. - To provide ToGoNoGo Child activity packs for 120 children in the Ward - £420.00 <p>The Board agreed to all of the new proposals.</p> <p><u>3 – To consider any applications for funding received</u></p> <p>The following applications for funding were received:</p> <ul style="list-style-type: none"> - Chaddesden Historical group. £369.00 requested to purchase a digital camcorder – agreed - Community Cafe at Chaddesden Park Association. £5000.00 requested as a contribution to refurbishing the toilet facilities on Chaddesden Park – agreed - Community Cafe at Chaddesden Park Association. £400.00 requested as a contribution to redecorating the sports pavilion building on Chaddesden Park – not agreed - Derbyshire Constabulary. A total of £1050.00 contribution towards two projects. Community Speed watch & a Laser gun device. (£1050.00 also requested from Oakwood, Derwent & Spondon Boards) – 	<p>Board Agreed</p> <p>Board Agreed</p> <p>Agreed</p> <p>Agreed</p> <p>Not Agreed</p>

	Deferred until the next meeting due to there being no representation from the police to support the application.	
5	Police Report Unavailable due to Inspector Roberts being called away to a major incident.	
6	Updates from the Chair <u>You said we did –</u> The board discussed the “you said we did” document detailing questions raised at the last Chaddesden Ward Neighbourhood Forum on 15 September 2010. The question was raised as to why parking restrictions could not be enforced around the shops. This would be costly as someone would need to be employed to issue tickets and monitor the area at all times. This would also have an impact on the people who work in the shops.	
7	Streetpride £20k Spend 2011/ 2012 Jonathan Oakes, area co-ordinator for Streetpride North circulated his proposal of how the £20k Streetpride devolved budget should be spent. This was discussed and items agreed are listed in Appendix A. Tony Weaver asked why the footpaths on Morley Road had not cleared of chewing gum as requested. As previously stated the highways officers had been out and inspected the area which was deemed to be not that bad. As a rule chewing gum removal from footpaths is only done in the city centre unless it is really bad. Jonathan said he would get a costing for the work to be done and bring this to the next meeting.	J.Oakes to obtain a quote to removal chewing gum from the footpaths on Morley Road.
8	Sub Group/ Board Member feedback <u>Library</u> – Everything is still going to plan in respect of the new Library. The chosen location of the new library is still going to be on Chaddesden Park – subject to planning permission. The design will be unique to Chaddesden and will include extra lighting and vehicle access. It is anticipated that the new library will be ready early 2013. Councillor Grimadell invited Board members to come to Saxon House for the next sub group meeting. He will ensure someone is there from library services to answer Board member questions.	Councillor Grimadell to liaise with Anj/ Lorraine to arrange the next sub group meeting.

	<p><u>Football Parking</u> Problems are being pushed further into the Ward as anticipated. More yellow lines have been put in along Sunny Grove. The problem is being monitored closely by traffic management and continues to be an ongoing issue.</p> <p><u>Friend of Chaddesden Park</u> Anne reported that the nature reserve is doing very well as are the allotments adjacent to the park. The Friends group continue to meet on the second Wednesday of every month at the Church Pavilion.</p> <p><u>Community Cafe on Chaddesden Park</u> Phil reported that the cafe is doing well although on reduced hours over the winter months. The computer training sessions are well attended and there is now a waiting list for this service.</p> <p><u>Neighbourhood Watch</u> There is currently an audit being carried out as it has come to light that many registrations are out of date. It often tends to be the case that people aren't interested in getting involved unless things in their immediate area become bad. Keith advised that smaller groups of around twenty properties tended to work best. He will be bringing his barracuda stand to the next forum to try and drum up some interest for the scheme.</p> <p><u>Youth Activities</u> The group last met 4 November 2010 and continues to be well attended. The groups next meeting will be at 2.00pm, Thursday 20 January 2011 at the Chesapeake Community Centre.</p> <p><u>Keep Chaddesden Ward Tidy Group</u> The last litter pick was on Chaddesden Park on Monday 6 December 2010. It was attended by six members which was very good considering the poor weather. The next litter pick will be arranged in the new year.</p>	
9	<p>Board Priorities 2011/2012</p> <p>Draft priorities were circulated along with the agenda for the meeting. The Board agreed to work to the following priorities in 2011/2012:</p> <p>1 - To continue with the development of youth provision and facilities in the Ward.</p>	

	<p>2 - To continue to improve overall appearance of the Ward including litter, dog fouling and graffiti.</p> <p>3 - To work with the Police and anti social behaviour team to alleviate ASB in the Ward, including the sale of alcohol to under age persons.</p> <p>4 - To improve road safety and parking problems in the Ward, especially around local schools and on match days.</p> <p>5 - Implement a Communication Plan to ensure information flows within the Ward.</p> <p>6 - To promote and improve community cohesion.</p> <p>7 - To improve provision for older members of the community, reduce isolation and improve quality of living.</p>	Agreed
10	<p>AOB</p> <ul style="list-style-type: none"> • Councillor Bolton made her apologies for arriving late for the meeting. • Comments were made that some of the roads, particularly Waterford Drive were not gritted when board members felt they should have been during the recent bad weather. • Anne commented that the flats on Shannon Square had a different lorry to collect their bins and this hadn't been coming as frequently as the regular lorry which services the houses. This was thought to be down to the severe weather conditions and the risk of the lorry slipping on the ice as it was much bigger than the regular ones. Jonathan advised that the refuse collectors were taking up to three extra black bags with collections to catch up with the current backlog. • The winter ice skating rink in Derby City Centre has now opened and will remain so until January 2011. • Questions raised at Forums by Board members was discussed. Board members were advised that whilst they still could raise issues at Forums, actual Board meetings were a more appropriate venue, especially for contentious issues. Board members should be and should be seen to be working together to tackle issues, within the Ward.
