

## Urgent items due to be considered by Council Cabinet

Every month, the Council publishes a Forward Plan to indicate the key decisions that the Council Cabinet is likely to take in the months ahead.

The following decisions need to be taken urgently in order that they can be implemented as quickly as possible. For this reason Council Cabinet is likely to consider them at its next meeting on 9 December 2015. They were not included on the Forward Plan.

The items are detailed below

Item	Description
Derbyshire Cycle Plan and Launch Event	It was intended that this item would have been considered at the 20 January 2016 meeting of Council Cabinet but the launch event has been arranged for 19 January 2016. The report therefore needs to be considered at this meeting to enable the launch event to go ahead.
Strategic Property Transactions	An opportunity has arisen for the Council to complete some property transactions before the end of 2015. The opportunity has only just arisen and any delay may result in the opportunity being lost and therefore it could not have been foreseen and included in the Forward Plan.
