- 1.2 Area Panel 3 received a report on 18 January 2006 outlining the changes to improve Area Panels. Immediate changes came into effect from January 2006 including the distribution of Area Panel papers; format of the update report; public question time and the introduction of a Chair's report to commence from June 2006.
- 1.3 Council approved a report on 24 May 2006 that agreed a new petitions process, removed the Area Panel Good Practice Guide from the Council's Constitution, allowed each Area Panel to elect a standing chair for the municipal year and to nominate a vice chair on a rotating basis to support the standing chair.
- 1.4 Petitions will be referred to the relevant Council Cabinet Member to determine the appropriate response to provide to the Area Panel. Reports will be in the relevant Council Cabinet Member's name. If the Area Panel is dissatisfied with the response, they may resolve to refer the petition back to the Council Cabinet Member for reconsideration. The Council Cabinet Member, in consultation with the chair of the overview and scrutiny commission, will reconsider the response. They can either confirm the original response or involve a review of policy or resource allocation by the Council Cabinet Member or the overview and scrutiny commission.
