Supporting Information

- 4.1 In December 2009, the Centre for Public Scrutiny and IDeA published a Safeguarding Children Scrutiny Guide which states: 'OSCs should, as a minimum, expect to review the annual report of the LSCB, and the performance data collected by Children's Services and by the LSCB. In addition, given the increasingly sharp focus by Ofsted on safeguarding practice, OSCs may wish to review Ofsted Reports received in the area in particular the reports of the inspections of duty and assessment services and

the full inspections of safeguarding and services for looked after children.’

- 4.2 The Safeguarding Children Scrutiny Guide can be found on the following link:
