40/10 Notices of Motion Submitted for this Meeting

1. Dog Fouling

Resolved, on the motion of Councillor Banwait, that dog fouling incidents and complaints are on the increase across Derby. Since dog fouling is a form of Anti-Social Behaviour, as it is an environmental and health hazard, Council therefore calls upon the Cabinet member to organise a city wide campaign to remind dog owners of their responsibilities and provide additional resources to the dog wardens to carry out enforcement in problem areas of the city.
