Summary – Derby is an Opportunity Area which is a government policy to improve social mobility in twelve areas of the country. As part of this, the city council holds grants on behalf of the Opportunity Area Board and Department for Education. The programme is now approximately half way through its lifespan and all funding must be allocated by March 2020. Therefore, this proposal is intended to ensure a timely and smooth decision making process within a time limited programme. Procurement would still adhere to the council's procurement regulations and comply with the Council's Contract and Financial Procedure rules.
