26/15 Development Management Preliminary Application Charges
2016/2017

A report of the Strategic Director of Communities and Place was considered which gave details of proposed external fees and charges for Development Management Preliminary Charges for 2016/17.

It was acknowledged that there had not been a review of charges since 2012 and an overall really needed to be considered so as charges for officer time could be covered. Finance had been consulted and proposed charges were also in line with other Local Authority charges.

Resolved

- 1. To approve the new charges as detailed in the report**
- 2. To implement new charges from 1 July 2016**
