Meeting dates highlighted [Yellow] are scheduled to take place after the publication of the Notice of Election for the Local Elections 2023 i.e. during the pre-election period/purdah.

These elections will be “all-out” and therefore all seats will be up for election. Whilst not all Councillors will choose to stand in these elections, it is anticipated that the vast majority will be candidates; Officers will therefore need to be particularly careful to ensure compliance with the pre-election period rules on publicity and use of Council resources.

Officers must take particular care when considering Reports to be taken to meetings scheduled for this time. Whilst the Council can continue determining planning applications and holding constitutional meetings, Officers should try to avoid taking reports on controversial issues and should consider carefully whether reports can be brought to meetings prior to 20 March or deferred until the new municipal year.
