

Area Panel 4

Site – in priority order	Ward	Number of Bins Requested	Comments	Highlighted By
Havenbault Lane/A38 junction	Littleover	1		Public Requests
Havenbault Avenue/Fresco Drive	Littleover	1	We have just provided an 84L bin in this area (on Fresco Drive, opposite Twin Oaks Close).	Public Requests
Clemson's Park, off Austen Avenue, Littleover	Littleover	1	There is an existing bin on the pathway into the park, which is currently serviced by street cleaning staff. Although the bin is visited daily, it still overflows. I suggest this is replaced by a much larger bin.	Public Requests
Callow Hill Way	Littleover	1	Near end of Brook Walk/Cycleway	Councillors
Spinney Brookway	Mickleover	1	Newly created access point from new housing development	Officers
Royden Close	Mickleover	1	Newly created access point.	Officers
Station Road	Mickleover	1	By access gate onto railway trail near Station House	Officers
Station Road, Mickleover	Mickleover	1	Top end where new car parking may be permitted.	Officers
Bendall Green	Littleover	1		Officers
		9 in total		

Area Panels requests have been prioritised as it is assumed these represent the majority public demand. It is also assumed that Councillors are voicing concerns of the public and these requests have therefore been prioritised where possible.
