

Safeguarding Pressures – Association of Directors of Children's Services (Phase 5)

SUMMARY

- 1.1 In December 2016, the Association of Directors for Children's Services Ltd. (ADCS) published a report on Phase 5 of their research into local authority safeguarding pressures.
- 1.2 The research completed by ADCS spans from 2007/08 to 2015/16; tracking trends in relation to safeguarding activity, alongside the provision of services for children and young people and their families / carers. Participation in the research is voluntary and 132 authorities participated in the latest phase (87% of all authorities).
- 1.3 It was noted in the most recent publication (Phase 5) that... *'Through each phase significant increases in safeguarding activity have been reported together with the range of contributing factors'* (ADCS Safeguarding Pressures Phase 5 – Executive Summary, December 2016).
- 1.4 Andy Smith –Strategic Director for People Services and Sarah Walker – Policy and Improvement Manager will attend the meeting to give members a presentation on the outcomes of the latest research, alongside specific information relating to Derby City's position relative to the national findings.

RECOMMENDATION

- 2.1 To receive the presentation at the meeting on the findings from the latest research project by ADCS into safeguarding pressures.

REASON FOR RECOMMENDATION

- 3.1 Understanding the changing demand and demographics / profile of demand is essential to making sure that the right decisions are being made for the needs of the city. Assessing the national context against the local make sure that we fully understand what is happening locally and can respond appropriately.
