

Appendix 2

Comments Received During the Licensing Policy Consultation

Specific Comment	Licensing Officer Comments
<p>Points of Note Should the name of the department reflect the actual section name to reduce confusion from MOP (Plain English) Eg Food and Safety Team Environmental Protection Team As currently listed as Pollution Control and Health and Safety</p>	<p>The terminology used is that used in the legislation. Team names may change during the life of the Policy, area of responsibility does not.</p> <p>Recommendation – no action</p>
<p>9.12 point one Could the wording "but are not limited to" be added after such measures may include.</p>	<p>Recommendation – to add wording</p>
<p>9.12 point five could the wording " and control any" be added after prevent Noise and vibration</p>	<p>Recommendation – to add wording</p>
<p>Point One do we need to add except of access and egress?</p>	<p>Recommendation –to add wording</p>
<p>General - the whole policy needs reworking into plain english and to remove frequent duplication of information</p>	<p>The document is based on the statutory guidance issued by Central Government via the Home Office.</p> <p>Recommendation – no action</p>
<p>General - the whole thing needs to be more clearly laid out and concise.</p>	<p>The document is based on the statutory guidance issued by Central Government via the Home Office.</p> <p>Recommendation – no action</p>

General - The condition relating to pagers and contact with other venues should be made stronger. For example for venues within the city centre NTE it should be mandatory to be part of the Pubwatch scheme and have a fully functioning radio	Case law prevents making participation in Pubwatch mandatory. Recommendation – no action
General - Every thing is fine	Noted. No action.
General - I've been a license holder for long time and is the only source of income I have	Noted. No action.
it is ;oorly* written and looks like simply a paper exercise *Wording reproduced exactly as provided by consultee.	The document is based on the statutory guidance issued by Central Government via the Home Office. Recommendation – no action
As Team Leader for the responsible authority for Food and Safety (Public Safety), I have taken time to consider the changes that reflect my area of responsibility and as such have no comments to make.	Noted. No action.
it is pooply* put together- strive for clear objectives and practical ways to achieve them, in plain english please *Wording reproduced exactly as provided by consultee.	The document is based on the statutory guidance issued by Central Government via the Home Office. Recommendation – no action
