

City Partnership & Vision Commission

January 2021

Corporate Services Scrutiny Board

Last update in March 2020

Since then....

- Huge COVID-19 response by partners and communities
- Work on Vision Commission paused
- City Partnership Board re-launched
- Focus on COVID Recovery

Working in partnership

Collaborative

Pace

Creativity

Community First

Outcome
focused

WITH the City

City Partnership Board

Composition

- Group Leaders – chaired by Cllr Chris Poulter
- Outcome Board Chairs
- Public sector bodies
- Business
- Community

Format

- Meets monthly via Teams (for the moment!)
- Thematic and dynamic agenda

Partnership Board – examples of focus

Economic Recovery

- City centre reinvention
- Youth unemployment

Community Recovery

- Better Together
- Poverty Commission

Draft Recovery Plan

Vision Commission

- Take a long-term perspective and develop a framework to fulfil a future positive vision for the city
- Chaired by Bishop Libby Lane
- Identify and agree priority themes and focus
- Review the data on Derby – consider the evidence in light of Covid-19 and the future
- Engagement is key...

Brilliant Derby – well-being sessions

- Featuring Dr Andy Cope – *Art of being brilliant*
- Web based sessions to support individuals and communities build personal and collective resilience in these difficult times
- Launch during w/c 18 January – Blue Monday
- Collaborative media approach

Next Steps

- Continue to develop and implement Recovery priorities
- Review of partnership boards and working groups to support delivery
- Engagement on how people are feeling about the City and its future
- Finalise Vision Commissioners and agree timescales in light of COVID
- Commission research based on agreed priority themes
